Traces on Dr. Richard Topp

22-465

1. We searched again through the files on Dr. Richard Topp, which are rather slim, and found the following which may or may not be of interest to you.

2. Topp, as a former SS leader, was a member of a circle including Frau JURKIN & FELICHE, Frau ADAMEK, former chief of the NS, Frau BAUER and Frau ROLOFF. He was also connected to the Kreiswacht. In 1950 JURKIN & FELICHE made a trip to the East Zone and paid a visit to Otto Grzesinski, which received publicity in Neue Westdeutsche. The files do not reflect any other information on the closeness of Topp's ties to JURKIN.

3. We have the following traces on these gentlemen:

a. JURKIN: Probably identical with Wilhelm JURKIN, one of the publishers of the Westdeutsche Zeitung of Hamburg.

b. ADAMEK: Possibly identical with Arthur A., a member of the WARBACH circle.

c. BAUER: A Helmut B. is a member of the Arbeitskreis fuer Deutsche Vertriebenen.

d. ROLOFF: No identifiable traces; plenty of ROLOFF's though - if you can give him a first name we may have something more.
